Re: *FOIA Request #2016-01340*

Dear Mr. Baime,

I am writing to request an update on my FOIA request, which I submitted to the Bureau of Prisons on December 9, 2015. I requested a single contract and clearly identified it by contract number. Since then I have called the FOIA office at least five times to request an update on my request.

It has been more than seven months and it is my understanding that the party which holds the contract has not even sent the records to BOP.

Thank you for your attention to this matter.

Sincerely,

Caroline Hirst
